SALE RAPIDLY INCREASING.

Mi-o-na, the Dyspepsia Remedy, Has Cured Hundreds of the Red Cross Pharmacy Customers.

One of the great successes in the sale of a medicine has been achieved by Mi-o-na, the dyspepsia remedy, and its sale is increasing so rapidly that Rieckert & Wells have hard work to keep a stock on hand. It is very popular with well-known bankers, ministers, lawyers and others whose business or profession keeps them closely confined, while those who have brought on indigestion through irregular eating, worry or other causes, have found a cure in this reliable remedy.

Mi-o-na is in the form of small tablets and is sold in a metal box especially designed for convenience in carrying the medicine in the pocket or purse. It is pleasant to take; gives quick relief and makes lasting cures.
This remedy has been so uniformly successful and made so many remarkable cures that the Red Cross Pharmacy will in future sell Mi-o-na under a positive guarantee to refund the money if it should ever have a large enough percentage of cures so that it could be sold in this manner. A guarantee like this speaks volumes for the merit of the remedy.
There is no time like the present to do a thing that ought to be done. If anyone has dyspepsia, today is the best time to begin curing it.
